No. P. 7768—Legis. 46-35, dated Bangalore, the 22nd May 1936.

1. In exercise of the powers conferred on them under Section 22 of the Mysore Road Traffic and Taxes Regulation No. VI of 1935, the Government of His Highness the Maharaja are pleased to sanction with effect from 1st July 1936, the following exemptions from tolls in respect of bullock carts :—

(i) At all frontier toll-gates, and at all toll-gates established on roads and bridges specified in Schedule V of the Road Traffic and Taxes Regulation and those to be established on roads and bridges to be constructed hereafter under Section 20 of the said Regulation, bullock carts belonging to agriculturists residing within 5 miles of the said toll-gate shall be free of tolls at that gate, when such carts are laden with manure, implements, seed, or agricultural produce to and from their fields and when they return unladen.

Note.—Any claim for exemption under this rule shall be supported by a certificate signed by the Patel or Chairman of the Panchayet of the village to which the cart belongs.

(ii) At all interior toll-gates, that is, toll-gates other than those specified in item (i) above, all bullock carts, except those carrying timber, fire-wood, bamboos, stone and ore are exempt from tolls.

2. From the date, *viz.*, 1st of July 1936 that this comes into force, the existing exemption, *vide.*, item No. I-(xvii) and No. III-(i) of the Notification No. P. 3317—

Legis. 46-35, dated 18—19th November 1935 shall be deemed to be cancelled.

CIRCULAR.

No P. 7791-7800—*Legis., Bangalore, dated 22nd May* 1936.

It is notified for the information of those concerned that, with effect from 1st July 1936, exemptions from tolls allowed in respect of bullock carts will be as follows :—

(1) The rules contemplate two different kinds of exemption. These are referred to in Sub-paragraphs (i) and (ii) of paragraph 1 of the Notification No. P. 7768—Legis. 46-35, dated 22nd May 1936. The former refers only to frontier and *ad-hoc* toll-gates and the latter to interior toll-gates. The object of the former is to exempt carts belonging to agriculturists living within a distance of 5 miles of the toll-gate when they are laden with manure, implements, seed or agricultural produce to and from their fields and when they return unladen. In this case the person in charge of the cart is to produce a certificate from the Patel or the Chairman of the Village Panchayet of the village at which the cart is kept.

(2) As regards interior toll-gates, *i.e.*, toll-gates other than those referred to in item 1 above, the existing rule has been modified so as to make quite clear what carts are liable to tolls. No toll is leviable on bullock carts at these gates except when they carry timber, firewood, bamboos, stone and ore. Carts other than those laden with the commodities specified above including empty carts are free of tolls and this exemption applies whether the cart belongs to an agriculturist or not and irrespective of the distance from the toll-gate of the village in which the cart is kept.
